Uses* temporarily relieves minor aches and pains associated with arthritis

Warnings

Stop use and ask a doctor if symptoms persist for more than 7 days or worsen, new symptoms occur, or if redness or swelling is present. These could be signs of a serious condition.

If pregnant or breastfeeding, ask a health professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.

Directions

■ Adults 18 years of age and older: At the onset of symptoms, dissolve 2 tablets under the tongue and repeat, if needed, every 15 minutes for 3 more doses. Then, dissolve 2 tablets under the tongue every hour until symptoms improve.

■ Children under 18 years of age: Ask a doctor.
